

The global economic crisis and its impact upon European fund domiciliation

Wednesday, February 1, 2012

Swissotel Metropole, Quai General Guisan 34, 1204 Geneva

The global economic crisis and, in particular, the problems in the euro-zone have been covered extensively in the media but there has been no mention of how this might affect fund domiciliation. This seminar will look at the options available to fund managers should there be further instability – particularly in Europe.
